**IT IS ORDERED THAT:**

1. The Debtor's Plan is confirmed and (if appropriate) for cause shown, payments for a period not to exceed sixty (60) months are approved.

2. The Debtor or his employer shall make the payments to the Trustee required by the Plan. At any time during the pendency of the case, the Trustee may request the Court enter an order directing the Debtor's employer to make the appropriate payroll deductions and payments to the Trustee or to pay the Debtor's entire earnings and wages to the Trustee as prescribed by 11 U.S.C section 1325(b). Such an Order may be issued without further notice.

3. The Debtor shall, when applicable, obtain the approval of the Court prior to incurring additional consumer debt. Failure to obtain such approval, if applicable, may cause the claim for such debt to be unallowable to the creditor (11 U.S.C. section 1305(c)) and the debt to be nondischargeable for the Debtor (11 U.S.C. section 1328(d)).

4. The Trustee shall:

(a). Keep a detailed report of all receipts, including the source or other identification of each receipt, and of all distributions (Rule 2015); and

6. The Trustee, the Debtor, and the Debtor's attorney shall examine proofs of claim or summaries thereof and shall object to the allowance of improper claims as provided by Rule 3007.

(a). The Trustee shall file and serve all parties in interest with the Trustee's Recommendation Concerning Claims within ninety (90) days following the claim filing deadline. Such Trustee's Recommendation Concerning Claims shall include the Trustee's objections to claims, if any, recommendations as to the extent and validity of each creditor's security interest, if any, and recommendations as to the value of any collateral not previously valued by the Court. The Trustee's Recommendation Concerning Claims shall be deemed to be an objection to claims, a motion to value any such collateral, and an action to determine the validity of each creditor's security interest or an action to avoid any such security interest as set forth therein.

(b). Unless an objection or response is timely filed as to the

treatment of any claim, the claim will be allowed only in the manner and amount listed in the Trustee's Recommendation Concerning Claims, and such treatment will be final and binding on all parties without further order of the Court.

(c). Responses or objections to the Trustee's Recommendation Concerning Claims, must be filed within thirty (30) days from the date of service of the Trustee's Recommendation Concerning Claims.

(d). The Trustee's Recommendation Concerning Claims shall additionally contain notice of the bar date for any additional objections to claims, which date is fixed at thirty (30) days following the date of service of the Trustee's Recommendation Concerning Claims.

7. The Trustee shall maintain records (which may be in electronic form) reflecting funds received and disbursements made, and shall furnish such report to any interested party requesting copy of same, at no charge. Also, upon completion of the Plan, file with the Court a final report and account containing or incorporating by reference a detailed statement of receipts and disbursements (Rule 2015).

9. All property of the estate, including any income, earnings, or other property which may become part of the estate during the administration of the case, shall not revert in the Debtor. Such property as may revert in the Debtor shall so revert only upon further Order of the Court or upon dismissal, conversion, or discharge. Debtor shall maintain adequate insurance coverage on all property for which any creditor holds a lien unless such insurance coverage is specifically waived by such secured creditor. Further, the Trustee has no obligation or responsibility to obtain insurance for the Debtor or monitor the Debtor to insure that insurance has been obtained or maintained as required by this Order.

10. The Chapter 13 Trustee shall review all claims and the feasibility of the Plan prior to filing the Trustee's Recommendation Concerning Claims. If at that time the Plan is no longer feasible, the Trustee shall notify the Debtor and his attorney, in writing, of the infeasibility of the Plan. If forty-five (45) days after the service of the Trustee's Recommendation Concerning Claims the Plan remains infeasible, the Trustee shall file a Motion to Modify the Plan and/or a Motion to Dismiss the case.

Further, if at any time during the term of the Chapter 13 case, a claim is allowed which makes the Plan infeasible, the Chapter 13 Trustee shall notify the Debtor and his attorney, in writing, of the infeasibility of the Plan. If the Plan remains infeasible for thirty (30) days after such notice, the Trustee shall file a Motion to Modify the Plan and/or an alternative Motion to Dismiss the case.

**IT IS ORDERED THAT:**

1. The Debtor's Plan is confirmed and (if appropriate) for cause shown, payments for a period not to exceed sixty (60) months are approved.

Such an Order may be issued without further notice.

3. The Debtor shall, when applicable, obtain the approval of the Court prior to incurring additional consumer debt. Failure to obtain such approval, if applicable, may cause the claim for such debt to be

11. At the time of the issuance of this Order Confirming the Plan, the time for filing claims in this case may not have expired. Consequently, the Court specifically reserves the right in the future to:

(a). Alter or sustain an objection to the secured status of a claim filed as secured either before or after the entry of this Order Confirming Plan, and value the collateral securing any such claim to the extent not previously valued herein or otherwise by the Court;

(b). Enter a Final Order after notice and hearing on any responses or objections to the Trustee's Recommendation Concerning Claims, and on any additional objection(s) to claims timely filed by a party in interest;

(c). At any time during the pendency of this case, entertain a motion to alter or sustain an objection to the secured status of a claim filed as secured after the bar date for filing claims has expired, or to value the collateral securing any such claim to the extent not previously valued by the Court.

12. All creditors having allowed secured claims (whether filed before or after this Order Confirming Plan) shall be treated in accordance with section 1325(a)(5), except as otherwise specifically set forth herein. The collateral securing creditor's claims provided for under the Debtor's Plan is hereby valued by the Court at the values set forth below.

(a). When the value of the collateral securing a timely filed proof of claim of any taxing authority differs from the value shown on the Debtor's Plan, the Trustee will use the value shown on the creditor's proof of claim. All parties will be noticed of this valuation through the Trustee's Recommendation Concerning Claims and disputed valuations may be resolved by the Court, by agreement or objection.

(b). In those instances where no objection was filed to Confirmation of the Debtor's Plan contesting the Debtor's valuation of collateral securing a creditor's claim, the value of such collateral is fixed at the values provided in the Debtor's Plan (which values include any valuation of collateral agreed to by the Debtor at the meeting of creditors held pursuant to 11 U.S.C. section 341, such agreed values being hereby deemed a modification and/or supplementation to the Debtor's Plan), as follows:

CREDITORS	COLLATERAL	VALUE
SEE ATTACHMENT A-1		

(c). In those instances, if any, where an objection was filed to the valuation of collateral as provided in the Debtor's Plan, the Court

determines and fixes the value of such collateral as follows:

CREDITORS

COLLATERAL

VALUE

(d). In the event a creditor timely files a proof of claim which evidences a perfected security interest in collateral which was not specified by the Plan and not previously valued by the Court, such collateral will be valued by the Court at the value set forth in the Trustee's Recommendation Concerning Claims to be filed herein, unless a response to such Trustee's Recommendation Concerning Claims is timely filed. Such Trustee's Recommendation Concerning Claims is to be filed and served within ninety (90) days following the deadline for filing proofs of claims. Responses to such Trustee's Recommendation Concerning Claims must be filed within the time and in the manner provided in such Trustee's Recommendation Concerning Claims.

(e). The valuation of collateral by the Court as set forth above shall not relieve a secured creditor from the duty to file a proof of claim in order to be paid under the Plan. Further, such valuation shall not preclude any party from objecting to the amount claimed by any such creditor, or from bringing an action to determine the extent or validity of such creditor's security interest or to avoid any such security interest.

ALLOWANCE OF ATTORNEY'S FEES:

Debtor's Attorney: JAN PERRY LEDERER

Business Case: Yes   X   No     

The application by the attorney for the Debtor for the allowance of reasonable compensation as authorized by 11 U.S.C section 330, having been considered, the Court finds that a reasonable fee for the services performed and undertaken by such attorney is **\$4,500.00** of which **\$800.00** was paid to such attorney prior to filing of the petition initiating this proceeding.

The balance of such fee **\$3,700.00** shall be paid by the Trustee from monies received under the Debtor's Plan; provided, however, that such payments shall be deferred in time to payments, if any, which may be required to provide adequate protection of the interest of the holders of any secured claims.

OR

The attorney for the Debtor has requested that he be paid no fee in this case and has not filed an application for the allowance of reasonable compensation as authorized by 11 U.S.C. section 330. Accordingly, no attorney's fee will be paid by the Trustee from the monies received under the Debtor's Plan.
